

# CCTT INC.

---

*Scutum Integritas*

The Standard for Dignity, Discipline, and Protection in Japan

# The Philosophy: Scutum Integritas

## Scutum

Meaning "Shield"—The physical barrier between the principal and the threat.

---

## Integritas

Representing Integrity, Dignity, and Discipline.  
We uphold the highest standards of professional ethics to protect those who matter most.

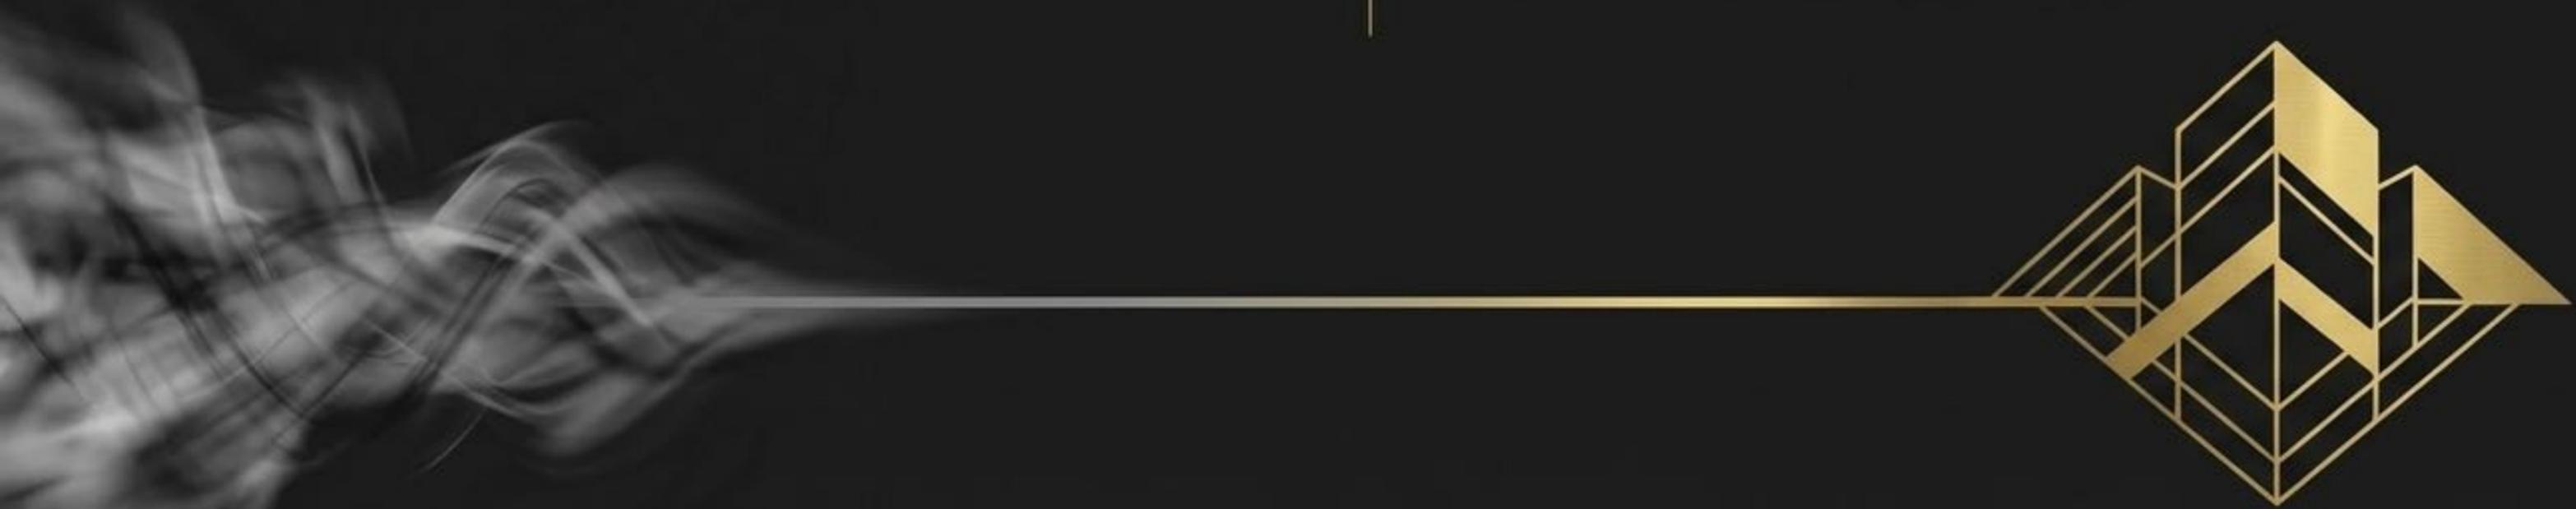

# Beyond Security Theatre

## The Industry Problem

Superficial measures that create an illusion of safety but fail to provide real protection. This includes hiring guards based solely on physique, meaningless protocols, and a lack of professional training.

## The CCTT Solution

Authentic services grounded in international standards and proactive threat prevention. We do not provide superficial services designed merely to create a false sense of safety. We invest exceptional effort into education to deliver actual protection.

# Touch-Down to Wheels-Up

A Comprehensive Ecosystem of Support

A seamless, all-encompassing support system for international visitors, covering every moment from arrival to departure. Our English-speaking protection teams ensure zero communication barriers, providing a fluid experience that feels like a concierge service, not just a security detail.

# Advanced Logistics & Mobility

## Air Transit

Coordination of Private Jets and Helicopters for rapid regional movement.

## Ground Fleet

Luxury vehicle dispatch tailored to executive needs. Not just rentals, but secure logistical movements integrated into the protection plan.

## Coordination

Airport meet-and-greet services ensuring a swift, private exit from the terminal.

# Medical & Hospitality Concierge

- Medical Support  
Accompaniment by qualified doctors and nurses as required, ensuring immediate response to health concerns.
- Hospitality  
High-level hotel coordination and lifestyle support. We act as a bridge to Japanese infrastructure, ensuring clients receive top-tier care in any scenario.

# Executive & Royal Protection

## Royal Families

Protocol-aware security that respects dynastic traditions and maintains absolute discretion.

## Government Officials

Diplomatic security adhering to strict international standards.

## Corporate Executives

Ensuring business continuity and safety for leadership.

DISCREET | DIPLOMATIC | HIGH-LEVEL

# Private Client & Media Management

---

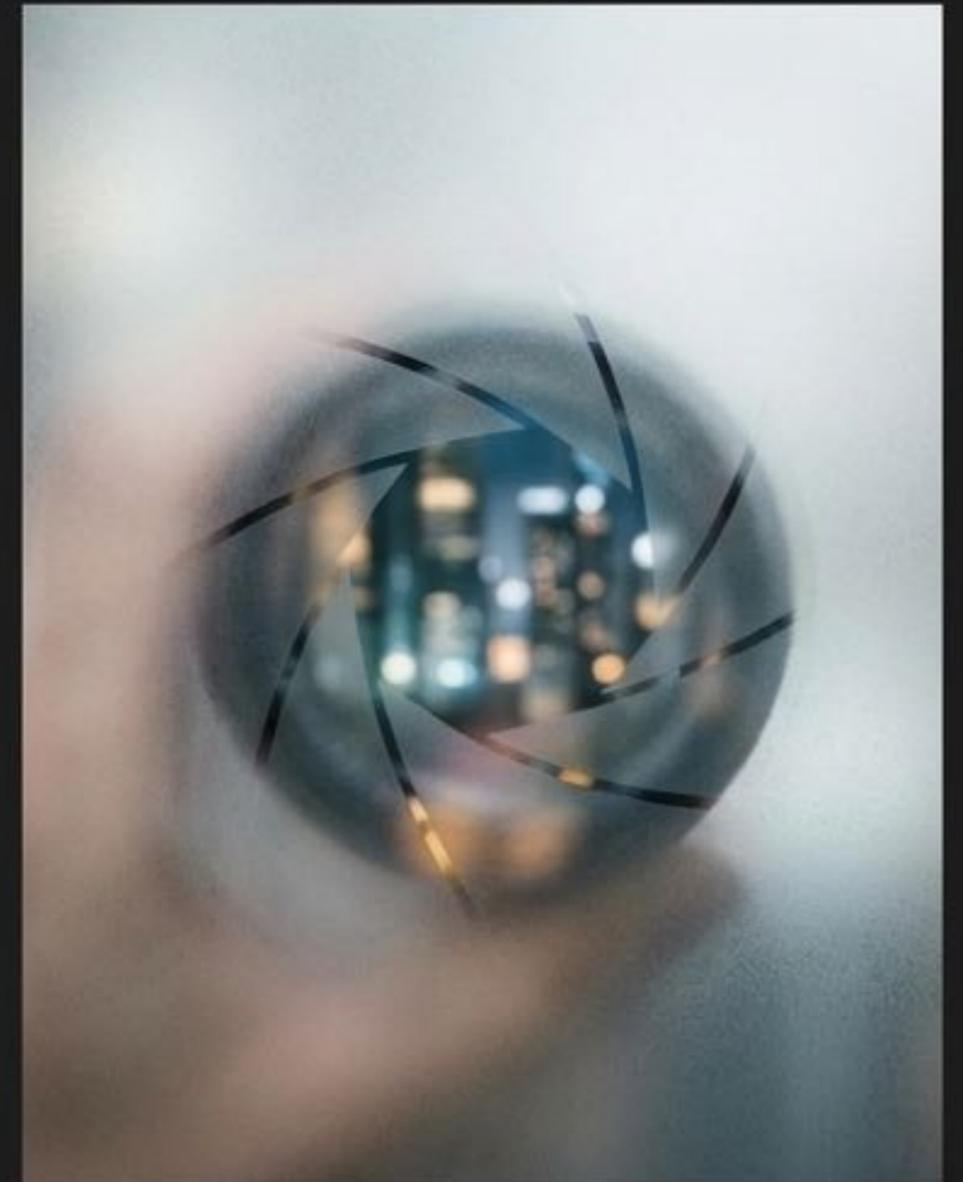

## Celebrity Protection

Tailored security for artists, actors, and athletes, specifically focusing on Fan and Media Management. We secure privacy without infringing on the client's lifestyle.

---

## HNWI / UHNWI

Comprehensive and discreet protection for High-Net-Worth individuals and their families.

# Secure Environments: Office & Residential

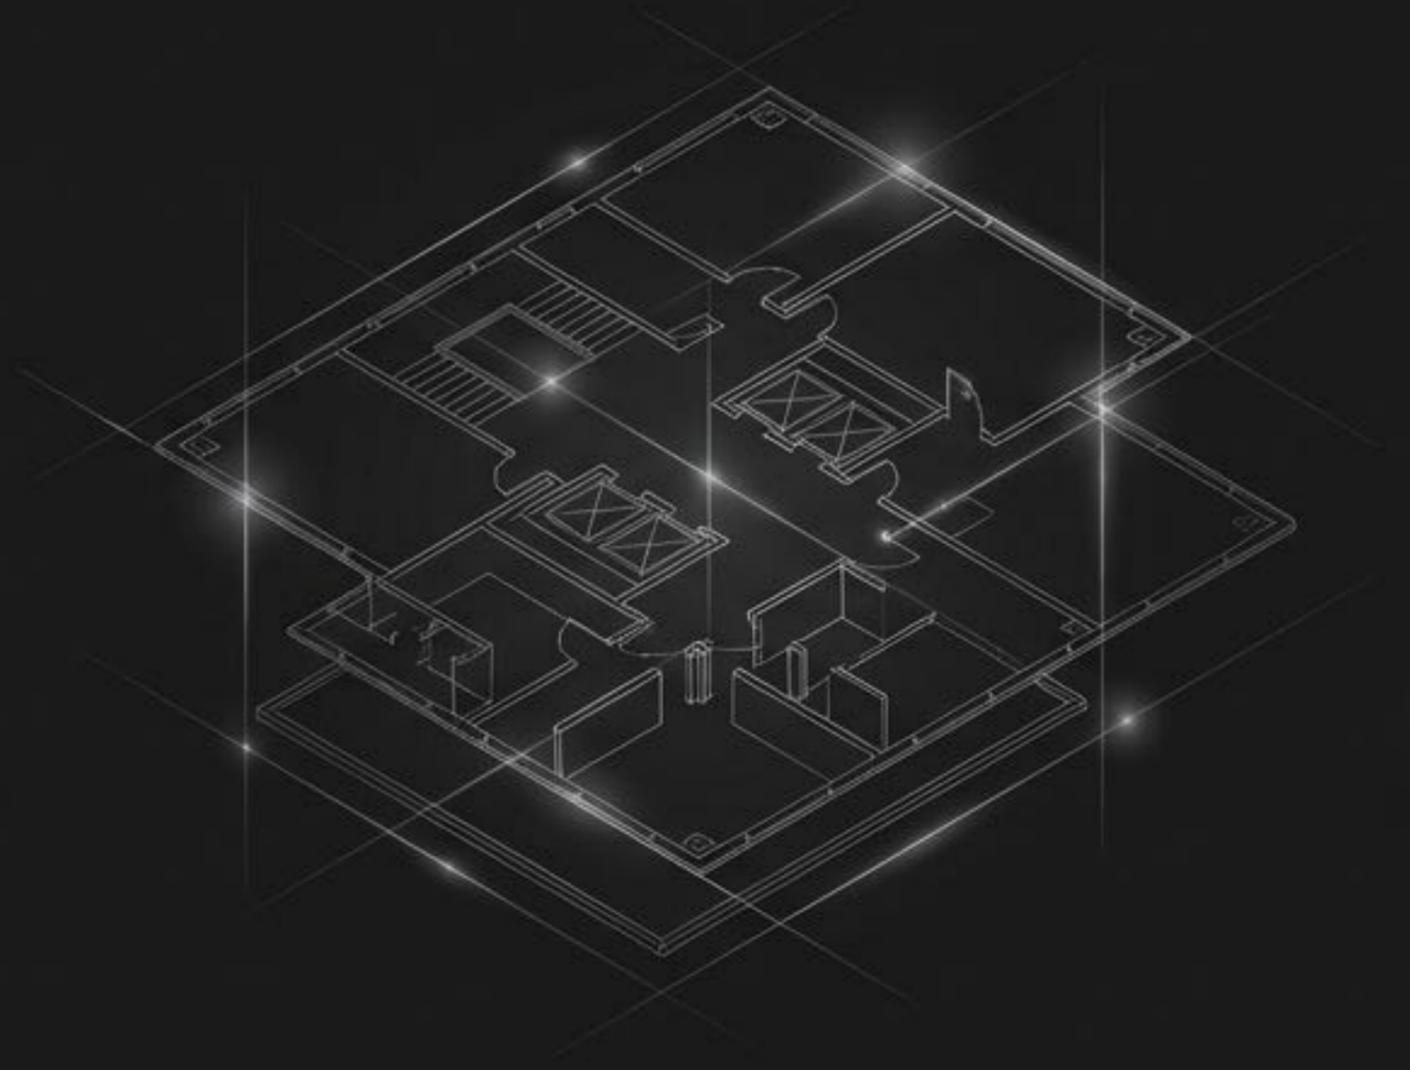

Access Control. Rigorous screening of personnel and visitors.

---

Technical Countermeasures. Regular sweeps for ESD (eavesdropping/surveillance devices) and IEDs (explosives).

---

Monitoring. CCTV management and mail screening.

# Strategic Consulting & Event Management

## Analysis

Professional threat assessments and penetration testing.

## Event Security

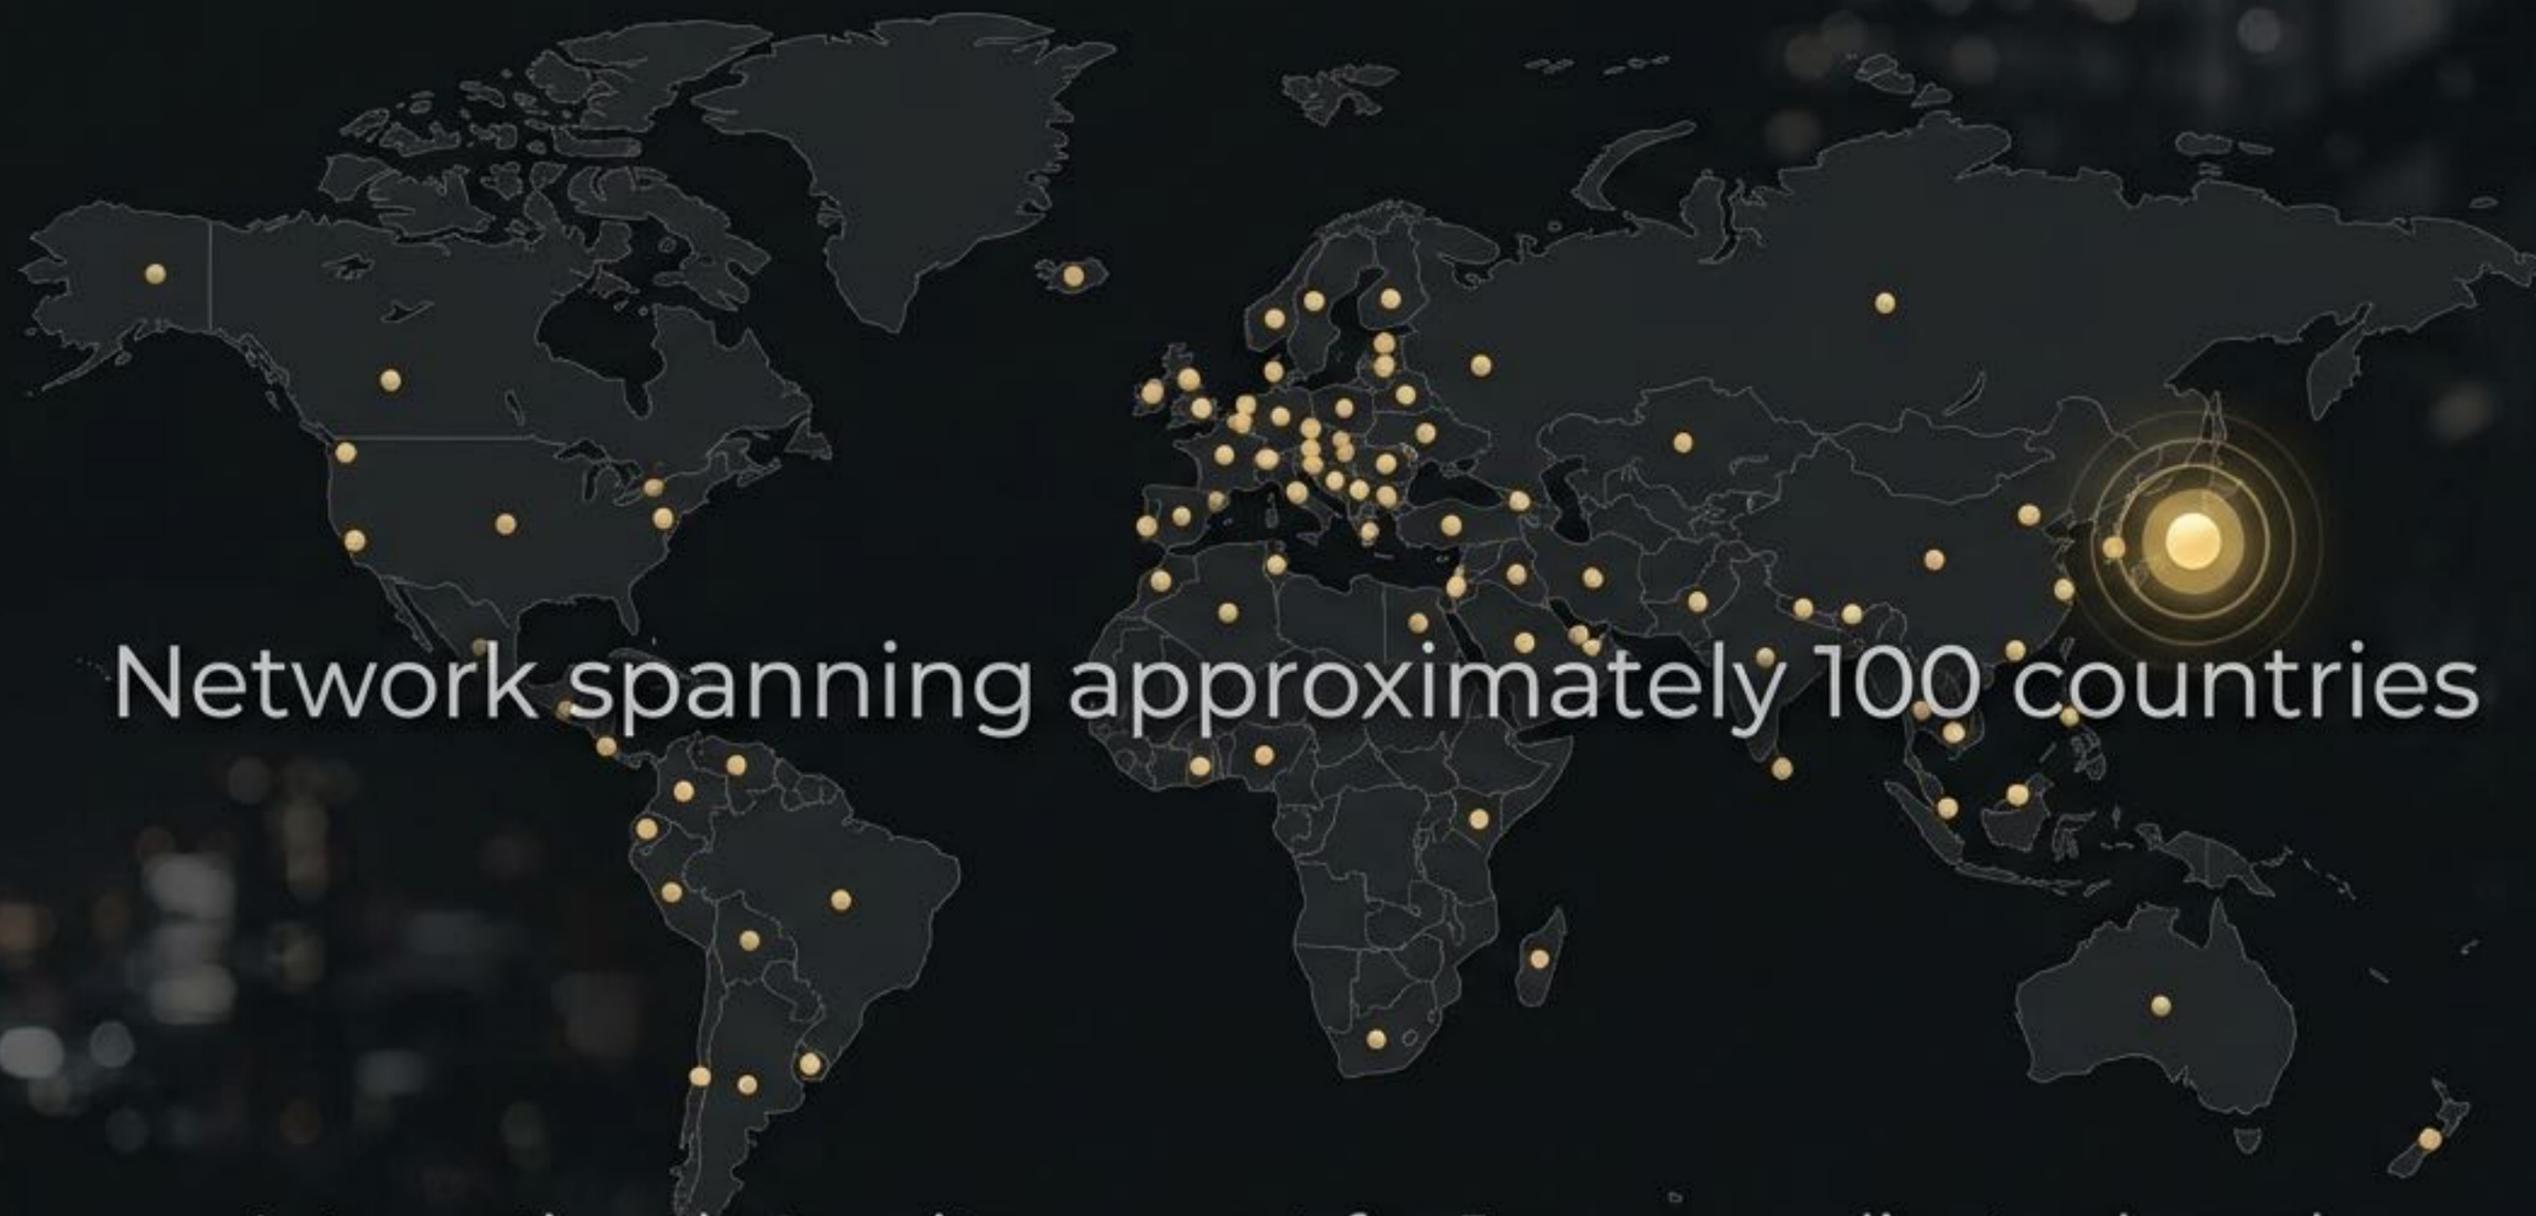

Full security planning and management starting from the pre-event stage to ensure operational safety.

## Coordination

Total security coordination based on international protocols.

# Global Reach & Network

Network spanning approximately 100 countries

- International security support for Japanese clients abroad.
- Seamless support for foreign dignitaries visiting Japan.

# International Strategic Partnerships

## **AISP**

CCTT serves as the Japan Secretariat for the Association of International Security Professionals.

## **AICPO**

CCTT serves as the Japan Secretariat for the Association of International Close Protection Officers/Operatives.

The recognized link between Japan and the international security community

# Setting the National Standard

## The Teacher of Teachers

CCTT oversees executive education and training for close protection at the All Japan Security Service Association (AJSSA)—the organization coordinating nearly all security companies in Japan.

We provide world-class training programs for security professionals, police, and corporate entities. CCTT's protection knowledge and techniques are the industry standard.
